

# Museum Heist

8+ 15 min 2-4

A world class museum exhibition of precious artworks has arrived in town. Trailing it are 7 shady characters determined to get their hands on some of these treasures. They are aware of each other's presence in town. The museum's extensive security is no match for their abilities and wits; their only obstacle is their opponents' plans and treachery.

In Museum Heist, you will use psychology, bluff, and deceit to uncover the other players' identities and get your hands on the museum's prized art objects!

\* Incidentally, all the precious art objects depicted in the game were in fact stolen at a point in time.
