**A YUMMY GAME
FOR THE BRAIN!**

**MEMORY
AND DEDUCTION
GAME FOR
THE FAMILY**

Be the first player to collect 10 mouth-watering ice cream scoops and be the winner of the spectacular ConeZILLA game. This fun game of tactics and memory will have children and adults rallying for second and third calorie-free servings!

Each player starts with a cone and one scoop of ice cream. All other scoops numbered between 2 to 49 are placed face down on the table. Players take turns flipping over a scoop and decide whether to add it on top of their growing cone or flip it back into place. Players can only add a scoop to a cone if its value is superior to their current top scoop.
