

SPEEDY WORDS™

A QUICK GAME FOR QUICK MINDS!

Be the quickest to find a word that starts with a letter that matches the indicated category to win a card. Have the most cards at the end and you will be the winner. To play, place a well shuffled deck of cards in the center of the table, category side up. Each player, in their turn, flips the top card and places it next to the deck, letters side up. A new category card is now exposed in a specific color. On the flipped card, the 3 letters appear in different colors. The first player to call out loud a word that starts with the letter that matches the color of the category wins the round and collects the card. A new category card is immediately flipped and another round starts.
