

# JUX TABO

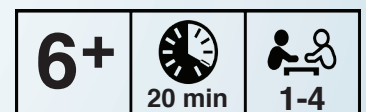

Juxtabo is a fun 3D game where you stack colorful pieces to create the patterns on the challenge cards. The board is different every single time you play because you create the board with Juxtabo pieces. As you play, the board grows, and it starts to look like a colorful mountain range!

Each time you identify or build a pattern on one of your challenge cards, you win that card. The player with the most challenge cards at the end of the game wins!
