EAN: 8717344-310413

CONTENTS:

- 42 wood hexagons (21 red and 21 black)
- 1 cotton bag
- Game rules

BENEFITS:

- A deceptively simple game of strategy where defeat arrives by surprise - and therefore a rematch is always requested...
- Can be explained in less than 6 Seconds! (*Beat that!*)
- Liked by all ages and both genders

Six is a simple and elegant strategy game. The goal is simple: to be the first to make one of the three winning forms using your own color pieces.

Triangle

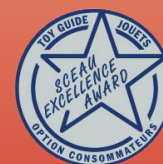

line

ring

How do we play? In turns, players place their pieces adjacent to the pieces already on the table. That's it! You know the rules.

Six is so simple it can be played by all ages, making it fun for everyone! For advanced players, it reveals an unexpected depth. And with its small portable bag, it can be played anywhere with either 2 players or 4 players playing in teams of 2.
