To celebrate the 25th anniversary of the now acclaimed game Logix (and its successor Meta-Forms), we returned to our secret kitchen and baked Smart Cookies! 64 fresh, brain boosting logic puzzles offered in an enticing cookie format. We've tweaked our recipe to further challenge developing young minds that will eagerly snack on these delicious puzzles.

Players use logic clues to place 9 cookies on the playing tray. As players progress through the gradually evolving levels of deductive logic, they develop and strengthen their reasoning skills and verbal expression. A great calorie-free treat for the mind!
