FoxMind welcomes you to a new and playful 2022! The past year has been an extraordinary shared global experience, and we enter 2022 with renewed strength and optimism. Our motto is Smarter Fun, consequently all our games are designed to tickle your neurons whether by helping develop STEM skills (Science, technology, engineering, and mathematics) or improving verbal expression, dexterity, and social interaction. The secret ingredient our team adds in concocting our games is the magical and elusive fun ingredient that makes parents, teachers and children coming back for more.

The Mensa Award, Game of the Year and Toy of the Year awards are only a few of the consumer and industry honors bestowed upon us over the years. All our efforts and accolades would have been in vain had it not been for the reps, retailers and international distributors who have supported us, in growing numbers, over the years. So, uncharacteristically to us, Foxes, we all ROAR a big THANK YOU for your support and loyalty.

We would love to hear from you, so if you have a question, a comment or just want to simply say “Hi,” it is easy to do via email, our website, Facebook, or Instagram pages.

Until then, play on!

The FoxMind team

In 2013, FoxMind launched the iconic Last Mouse Lost®. It has since been re-branded as GoPoP!® and has become a worldwide phenomenon amassing more than 12 billion views on Tik Tok and other social media.

Beside ensuring consumers and retailers are getting the best quality and safest products, FoxMind continues to innovate using new materials and forms. We are launching new original concepts that will enchant consumers and strengthen the Go PoP!® brand worldwide.

Go Pop!® has an incredibly unique story behind the product. Learn more by visiting - www.gopop.store and search for GoPoP!®

We would also like to extend a BIG ‘Thank You’ to all the quality retailers who helped make this unique game become a universal phenomenon people around the world LOVE!

SPEEDY WORDS®

Be the quickest to find a word that starts with a letter that matches a category to win a card. Have the most cards at the end to be the winner. To play, place the deck of cards, category side up, in the center. Each player, in their turn, flips the top card and places it next to the deck, letters side up. A new category card is now exposed in a specific color. On the flipped card, 3 letters appear in different colors. The first player to call out loud a word that starts with the letter that matches the color of the category wins the card.

- Every game is different!

GOOD NIGHT BUNNIES

Good Night, Bunnies! is a cooperative game: In the evening, players have to catch the little bunnies on the meadow and close their hutches. But this is not so easy as long as there are new pairs of bunny ears constantly coming up from one of the numerous holes in the ground. The more hutches you can close by the end of the game, the better you are as bunny keepers.

KAMISADO

Kamisado is a game of pure skill and strategy! There are no dice, cards or any other chance element. It's just you against your opponent! The aim in each round is to be the first to get your tower to the opposite side of the board. It sounds easy, but the twist is that you can only move a tower if its colour matches the colour of the square that your opponent last moved to. The situations continue to become more complex and challenging, until one player accumulates the required winning total.
