Happy 20th Anniversary!

The FoxMind team is proud to celebrate 20 years of Smarter Fun games. Throughout the years, our team has worked relentlessly to offer children, parents, teachers and retailers unique game experiences and everlasting memories of joy and wonder. The kids who were playing our games 20 years ago have become the parents of a new generation of children in need, more than ever before, of games that stimulate their social skills, logic and most of all their pleasure of playing with their family.

As we enter 2023 with renewed strength and optimism, we stay true to our motto Smarter Fun, consequently all our newest games are designed to tickle your neurons. The Mensa Award, Game of the Year and Toy of the Year awards are only a few of the consumer and industry honors bestowed upon us over the years. All our efforts and accolades would have been in vain had it not been for the reps, retailers and international distributors who have supported us, in growing numbers, over the years. We thank our partners for their continued support and hope to spread more smiles in households throughout the world!

We would love to hear from you, so if you have a question, a comment or just want to simply say "Hi," it is easy to do via email, our Website, Facebook, or Instagram pages.

Until then, play on!
