We at FoxMind are excited to present our 2025-2026 Catalog! Our family of products spans several categories, yet like any true family, all our games share a common DNA that makes a FoxMind toy or game unique, recognizable, and, for many, lovable.

All our games are conceived to be easy to learn, quick to play, fun, and always smart. This combination has made our toys and games beloved by parents, teachers, children, and players around the world, earning us multiple awards in many countries.

Whether it's a game for family gatherings, a children's game, or a strategy challenge, we strive to blend smart and fun—staying true to our motto of being "The Smarter Fun Company."

We want to thank our retailers, reps, distributors, and, of course, the players who have supported us for over 20 years, allowing us to keep doing the work we love.

Thank you!

KAMISADO

Kamisado is a game of pure skill and strategy! There are no dice, cards or any other chance element. It's just you against your opponent! The aim in each round is to be the first to get your tower to the opposite side of the board. It sounds easy, but the twist is that you can only move a tower if its colour matches the colour of the square that your opponent last moved to. The situations continue to become more complex and challenging, until one player accumulates the required winning total.

- **High quality 3D towers.**
- **A classic 2 players strategy game.**
- **Over 150K units sold worldwide.**
